About TechX

TechXConf is a global phenomenon that unites visionary speakers, pioneering technologies, and a vibrant community of tech enthusiasts. Our mission is to explore, educate, and envision the future of technology through two dynamic domains: Generative AI and Cloud Computing.

✓ Globally recognized flagship tech conference from India

✓ Keynotes by renowned industry leaders and AI pioneers

✓ Round tables and fireside chat sessions

 Participants from 1000+ Companies

Get Tickets

Laugh Out Loud with Our Tech Stand-Up Comedian!

STAND UP COMEDY SHOW

Get ready for some tech-themed humor and a whole lot of fun!

Get ready to laugh till your screens crash because **Faiyaaz Hussain** is taking over! The guy who finds humor in every corner of the tech world from office chaos to online trends is here to turn your daily grind into a comedy show you didn't know you needed.

The Event Themes

Cloud Computing, Data Engineering, and Analytics

- Generative AI in Data Engineering
- AIOps for Cloud Management
- LLMs for Data Analytics

Machine Learning Engineering

- Advanced ML Algorithms and Techniques
- Model Interpretability and Explainability
- Model Monitoring, Versioning, and Reproducibility

AI-Powered Applications

- Natural Language Processing and Understanding
- Computer Vision and Image Recognition
- AI in Healthcare, Finance, and E-commerce

Industry-Specific AI and Cloud Solutions

- Smart Cities and Urban Innovation
- Industry 4.0 and IoT Integration
- Financial Forecasting and Risk Management

Emerging Trends and Future Direction

- Generative AI and Creativity
- Ethics and Governance of AI
- AI in Education
- Future of Work with AI

Aerospace, Quantum and Edge Computing

- Satellite Data Processing and Analytics.
- Aerospace Software Development.
- AI and Machine Learning in Aerospace.
- Gen AI in Simulation and Modeling.

Why attend?

Unlock Explore Sponsorship to connect, network, learn, and grow at TechX

Connect

Meet and collaborate with peers, speakers, and professionals in our networking lounges.

Network

Engage with attendees and partners, exchange ideas, and build valuable connections.

Learn

Gain insights from industry experts through keynotes, case studies, and workshops.

Grow

Stay informed, boost your brand, generate leads, and strengthen your competitive edge.

Speakers

Vikas Gautam

Data & AI Architect

Madan Sudarman

Agenda

01 November, 2025 IST

AI & Agentic Intelligence

Cloud, DevOps & FinOps

Data & Observability

Industry & Innovation

Orchestrating Intelligence: Context Engineering Strategies for Multi-Agent Workflow

Ayyanar Jeyakrishnan

⌚ 10:40 - 11:10 IST

From Prompting to Context Engineering: How MCP is Powering the Next Wave of Agentic AI.

Charan Panthangi

⌚ 11:15 - 11:45 IST

AI Agent Lifecycle – Evaluation to Execution

Yogesh Kumar,

Navaneethan Gopal

⌚ 11:50 - 12:20 IST

AI Agents Unleashed: Build, Deploy, and Scale with Databricks

Abishek Subramanian

⌚ 12:25 - 12:55 IST

From Fear to Empowerment: Embracing AI as a Human-Centric Enabler

Preethi Natarajan

⌚ 14:30 - 15:00 IST

AI-Proof Yourself: Why Intention Is the Superpower Machines Can't Copy

Anandan Kumaran

⌚ 15:05 - 15:35 IST

AI Powered Agentic Dev Loop @ Atlassian Scale

Dhaval Moliya

⌚ 15:40 - 16:10 IST

MCP Unleashed—Live Workflow Automation for Your Entire Tech Organization!

Harun Raseed Basheer

⌚ 16:15 - 16:45 IST

WHAT OUR ATTENDEES SAY

Discover the transformative impact of TechXConf through the voices of tech professionals who experienced our world-class content, exceptional networking opportunities, and unmatched hospitality

Karthikeyan VK

CTO, PROV INTERNATIONAL

ProV International

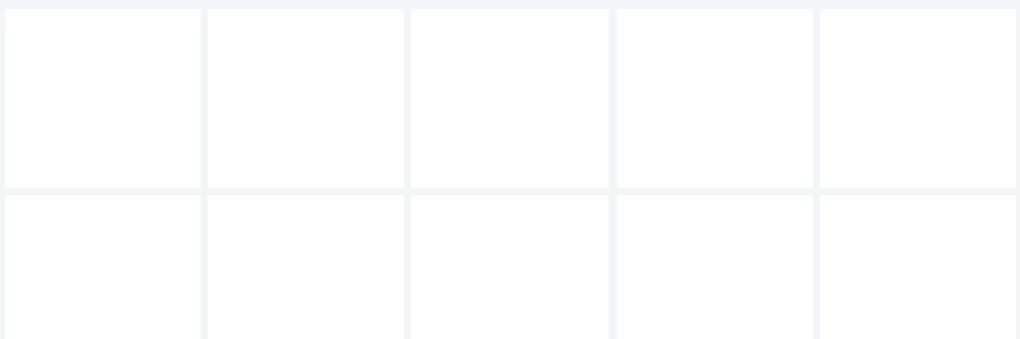

“

The hospitality at TechXConf was world-class! From the moment I arrived at Chennai Trade Center, the organization was flawless. The cloud architecture sessions were game-changing for our infrastructure. The networking lounges provided perfect spaces for meaningful conversations.
